2	(B) text clues plus what you already know	1 point
3	R: Omar changes after he watches the girl at the park. A: I infer he goes from feeling ashamed of his mistake to being ready to try again, which suggests the theme that mistakes are a chance to learn, not a reason to quit. C: At first he "wouldn't touch his glove," but later he asks, "Can we practice catches tomorrow?" E: This shows that seeing someone laugh and keep trying helped Omar realize that failing is part of getting better.	3 points: Inference about Omar's change; Theme without names; Two quotes (before and after).
